

## NUUO Network Storage Server

## System Diagram

## Product Overview

NUUO Network Storage is designed to provide a powerful storage solution offering the highest levels of performance for surveillance application with rock solid, easily manageable, powerful recording and streaming capacity.

## Hardware Spec

Model	CT-8000ES	CT-8000ES-RP
		
<b>Type</b>	Rack-mount 2U	
<b>CPU</b>	Intel Core i5	
<b>Server Operation system</b>	Linux	
<b>Number of Drives</b>	8xSATA II	
<b>Max Storage Per Drive**</b>	4TB	
<b>Max Internal Total Storage***</b>	32TB	
<b>Raid Level</b>	<b>RAID 0,1,5,10</b>	
<b>I/O Interface</b>	2 x USB3.0; 2 x USB2.0; 1 x eSATA (for DAS)	
<b>LAN</b>	2 x Gigabit Port, RJ45	
<b>LAN Transmission Speed</b>	10/100/1000 Mbps	
<b>Voltage</b>	100-240V	
<b>Power Consumption</b>	Full loading: 150W Max: 500W	Full loading: 160W Max: 500W (Redundant Power)
<b>Device Dimension (HxWxD)</b>	88 x 447 x 583 mm	
<b>Device Weight (Without Drive)</b>	11.4 kg (25.1 lbs)	13.2 kg (29.1 lbs)
<b>Temperature</b>	Operating: 0°C-40°C	
<b>Humidity</b>	Operating: 5%-95%	
General		
<b>Network File Protocol</b>	NFS	
<b>Compatible NVR</b>	NUUO Crystal series (above v 3.0.0)	
<b>Hardware watchdog</b>	YES	
<b>HDD compatibility</b>	Refer to <a href="http://www.nuuo.com/SupportCamera.php?node_id=12">http://www.nuuo.com/SupportCamera.php?node_id=12</a>	
<b>Supported Languages (17 languages)</b>	Czech, Chinese(Simplified), Chinese(Traditional), English, Finnish, French, Germany, Italian, Japanese, Korean, Polish, Portuguese (Brazil), Russian, Spanish, Swedish, Thai, Turkish
